

**American Nuclear Society's
Education, Training and Workforce Development Division
Monthly Update for March 2016**

Notices

The Executive Committee of the Education, Training and Workforce Development Division (ETWDD) wishes to engage our members more often. We will be sending out monthly updates to the entire division to inform you of upcoming events and opportunities.

Volunteer Opportunities

- **Conference on Nuclear Training and Education Steering Committee** – Conference planning is already underway, but additional volunteers would be welcomed. Please contact Jane LeClair at jleclair@excelsior.edu.
- **Nuclear Science Week** – What is your local ANS chapter doing to support awareness of nuclear science and technology this year? Take a look at this list of resources and assist your local chapter's outreach planning. Nuclear Science Week is scheduled for October 17-21, 2016. <http://www.nuclearscienceweek.org/>
- **Careers in Energy Week** –Careers in Energy Week is also scheduled for October 17-21, 2016. Why not highlight careers in nuclear while you are celebrating Nuclear Science Week. You can find additional resources to help you plan your event here. <http://www.cewd.org/>
